ORGANIZATION CHART

The legal authority of the Board will be transmitted through the Superintendent along specific paths from person to person as shown on the District organization chart.

The District organization chart will be prepared by the Superintendent and approved by the Board. The lines on the chart will represent direction of authority and responsibility. The chart may also indicate certain "staff" (as opposed to "line") relationships.

The Superintendent will keep the administrative structure up to date with the needs for supervision and accountability in the school system. Therefore, the Superintendent may, from time to time, recommend for Board approval changes in the District organization chart.

Policy committee recommends removal of 2120 & 2120F because it is beyond the purview of the Board and falls within the job description of the Superintendent.
